

Lars Winther Trio – "Live_2005"

*Lars Winther (piano, keys)
Jesper Thorn (double bass)
Victor Dybbroe (drums)*

Your Favourite Records first release is the debut of young Danish piano-trio Lars Winther Trio

The piano-trio consists of Lars Winther, Jesper Thorn, Victor Dybbroe and as the title implies, the cd is a live-recording, made during the summers Copenhagen Jazzfestival.

Despite an average age of merely 22 years, the debut reveals a mature and very well-playing trio who, with a enormous amount of concerts during the past years, have found out that it is in the concert-situation that their, at times almost telepathic interplay is truly displayed. The compositions are in a nordic tone, from where the trios impressive and intense sound unfolds.
